

In Memoriam

Application Guidelines:

1. Advocates for the proposed candidate for honouring will apply to the (NAFC) National Association of Friendship Centres for consideration. The application will include a picture, a summary of career highlights and accomplishments.
2. Completed applications for consideration will be forwarded to the NAFC Senate for consideration.
3. Each application will be assessed to determine their contribution to the National Association of Friendship Centres. While many people will have had an impact at a local or regional level, only those who have had national impact will be considered.
4. The Senate will determine those who should be honoured with the NAFC In Memoriam posting.
5. A record of decision will be forwarded to the NAFC national office for implementation.
